

Help Make a Child's Dreams Come True This Holiday

With the holiday season in full swing it is once again time for our 24th Annual Toy Drive benefiting the children of Inspira Hospital of South Jersey, St. Christopher's Hospital in Philadelphia, Children's Hospital of Pennsylvania (CHOP), and other hospitals and charitable organizations.

Your willingness to help us in the past has made a world of difference to the children and we are forever grateful and your continued support this year will help ensure another successful drive.

Donations of unwrapped toys for kids of all ages are being collected for The Dream Foundation at Rudco Products 114 E. Oak Road, Vineland, NJ - 8:00 am to 5:00 pm M-F.
For additional drop locations, visit www.thedream-foundation.org.
